COVID-19

UPDATE

April 30, 2021

Please know that maintaining the safety, health and wellbeing of all community members is our number-one priority. We are committed to keeping you up to date as things change in our community:

- **Our COVID-19 Situation:** Based off of this week's test results, we have no positive results of COVID-19 among residents or staff at this time.
- **Mandatory Testing:** All unvaccinated staff and unvaccinated Essential Caregivers must be tested on Monday, May 3rd between the hours of 5:30AM and 5:30PM in the Fellowship Hall. You must check in and self-screen prior to entering the testing room. Individuals experiencing symptoms or in quarantine, are asked to remain in their vehicle outside of the Loon Lounge and call 507-664-7347.

Note: Fully vaccinated individuals do not need test until further notice.

- Fully vaccinated: at least 14 days after the individual's vaccination series has been completed. Going forward vaccinated individuals should be tested only when symptoms of COVID-19 are present, after exposure to COVID-19, or during facility outbreak testing.
- **Visitations:** For the latest updates on current visitation status, please check our COVID-19 Response page on our website under "Visitation Status" <<https://northfieldretirement.org/coronavirus-response>>.

Living SAFER: Help us keep everyone in our community healthy!

Wash your hands with soap and water for at least 20 seconds - Maintain social distance - Wear a mask - Avoid touching your face, nose, and eyes - Spending time outdoors is encouraged while keeping safe distance from others
